Diagram illustrating a website layout structure:

```
graph LR; subgraph Container; direction LR; S1[ ] --- S2[ ] --- S3[ ]; S1 --- B1[Button]; S2 --- B2[Button]; S3 --- B3[Button]; end; B1 --- L["(link to a pre filled form?)"]; B2 --- L; B3 --- L;
```

The layout consists of a horizontal container divided into three equal-width sections. Each section contains a button labeled "Button" in the bottom right corner. Below the container, the text "(link to a pre filled form?)" is centered.

The diagram consists of three rectangular boxes arranged horizontally. The leftmost box is labeled 'Android' in the center. The middle box is labeled 'Web App' in the center. The rightmost box is labeled 'AppStore' in the center. All three boxes are white with a thin black border.

Design : visual, Graphism

```
graph TD; A[Design : visual, Graphism] --> B[Banner]; A --> C[logo]; A --> D[flyers];
```

The diagram illustrates the components of visual design. At the top, the text "Design : visual, Graphism" is centered. Below this, three boxes are arranged horizontally, each containing a type of visual communication: "Banner", "logo", and "flyers".

Design : visual, Graphism

```

A wireframe of a website layout. The header contains two navigation links: 'services' and 'About'. The main content area is divided into three columns. The left column has a large text block followed by five smaller text blocks. The middle column has a large text block followed by five smaller text blocks. The right column has a large text block followed by five smaller text blocks. The footer contains four social media icons: Facebook, Twitter, YouTube, and Pinterest.
